					We will be excavating in the road to the sewer main to replace the sewer lateral for 123 S 5th Ave. We will be pipe bursting from the house out to the connection at the city main. We will also be excavating in the boulevard at the city water curb stop connection because we are replacing the lead portion of the water service from the house to the curb stop. This will require removing 2 sections of concrete sidewalk. Asphalt and concrete repairs will be made by Zilisch Asphalt as soon as possible after completion of the job.
