202409697	Residential Building	1010 HAMILTON ST, WAUSAU	29129072510325	ISAAC DOLAN LINDSEY DOLAN		10/05/2024	
<b>Finished Sq Ft</b>	124	<b>Unfinished Sq Ft</b>	0	<b>Units</b>	<b>Description</b>		
					Project is to remove and replace plaster, insulation, and old electric. Plaster will be replaced with drywall, insulation with full cavity mineral wool insulation and vapor radiant barrier, and new electric wiring, receptacles, switch, and light. When complete baseboard, window, and door trim will be reinstalled.		
					Also propose to remove smaller east window to allow for a future addition to replace the existing garage. Will remove window and leave south window (12.1 SF glazing stays, 9.8 SF minimum req'd for bedroom, 8% of room Sq Ft). Will frame opening, insulate, sheath, cover with house wrap, tape seams, and side area with cedar shake to match rest of home.		
					Final change will be relocating the HVAC return for the room from the south exterior wall to an interior wall for both this room and the room above. Both existing returns are located in the exterior was and want to relocate so that each exterior wall cavity can be insulated as much as possible.
