	0		0		Description old 16x28 deck was damaged from tree falling on it. Existing deck had ledger attached to the brick which is against code. There were also no footings. Old Deck will be removed. 4 sono tubes 48" deep within 6' of the foundation, the other 4 footings will be diamond piers. This will make the deck free standing since we cannot mount to the side of the brick house. New deck will be same 16'x28' size.
