GENERAL REQUIREMENTS

- You shall contact the following and obtain signed approval for scheduling disconnection of applicable services:
 - Wisconsin Public Service (electric & gas) (email or fax) _____
 Email: WAUSAUOpsClerks@wisconsinpublicservice.com OR Fax application to 715.848.7474
 - Wausau Water Works (sewer & water services) (715.261.6530) _____
 - Schofield Water & Sewer (715.571.8286) _____
 - City Building Inspector (715.261.6780) _____
 - City Electrical Inspector (715.261.6780) _____
 - City Plumbing Inspector (715.261.6780) _____
 - City Forester (715.261.1550) _____
 - Landowner of Disposal Site _____

All private utilities (Charter, Frontier, etc.) should also be contacted and notified of the proposed demolition, and all cabling shall be properly removed.
- Are there any wells or drillholes on-site? Yes No If yes, the wells or drillholes shall be properly abandoned in accordance with Wisconsin Department of Natural Resources regulations **prior to** any demolition or construction work on the property. Any abandonment also requires a permit which can be obtained from the City Plumbing Inspector.

3. Is there lead-based paint present on-site? Yes No Unknown

(**Note: Structures built before 1978 are much more likely to contain lead than structures built after 1978.)

If yes or unknown, you must contact the Marathon County Health Department at 715.261.1900 regarding proper removal and disposal. If no, explain:

4. If demolition operation causes excessive dust due to the building material being disturbed, the building and site shall be sufficiently dampened at intervals necessary to prevent as much as possible, airborne debris and dust.

5. Is building designated as a Historic Landmark or located in a Historic District? Yes No If yes, obtain and complete a "Certificate of Appropriateness for Demolition" form.

6. Sewer and water services must be sealed off/capped at the property line **prior to** demolition. Work must be completed by a licensed plumber and a plumbing permit obtained from the City Plumbing Inspector.

7. All basement walls, if not completely removed, shall be excavated to a point four feet below lawn grade.

8. Basement floor area to be broken up to allow free vertical drainage. Verification by Inspections Department is mandatory prior to filling basement.

9. Public streets, sidewalks, alleys, and curbs and gutters shall not be obstructed prior to obtaining a street privilege permit from the Inspections Department.

10. Adequate fencing of the entire demolition site, lighted at night with flasher-type barricades to protect the public is **MANDATORY**.
