### **Make recommendation for Storm Sewer Materials (Quotations were opened March 28, 2023.)**

Abbiehl stated 4 quotes were received, which were from County Materials, Ferguson, Brock White/White Cap and Neenah Foundry. He provided a breakdown listing the low quote for each item. He noted the quotes were similar to last year with prices up a bit. He is recommending the purchase of concrete items from County Materials, castings mostly from Ferguson with some from Brock White/White Cap and Neenah, and rings from Ferguson. Wesolowski questioned why some items did not have an amount listed. Abbiehl explained no bids were received for those items and some things are not used anymore.

Groat moved to accept the low bids as presented. Wesolowski seconded and the motion passed.

### **Discussion and possible action on the purchase of asphalt from two vendors**

Abbiehl stated last year they mostly used RC Pavers as they are closer, there is less travel time, and less labor. However, last year they were hit and miss, and they could not get asphalt on demand so more asphalt was purchased from American Asphalt. This year they estimate purchasing 70% from RC Pavers with 30% from American Asphalt.

Wesolowski asked if the recommendation is to purchase the majority of asphalt from RC Pavers because their costs are lower. Abbiehl confirmed.

Groat moved to approve as recommended. Wesolowski seconded and the motion passed.
